## RECOMMENDED HAIRSTYLING EQUIPMENT LIST\*

### Hairstyling

- Rat tail comb – plastic tip and metal tip
- Teasing comb
- Wide tooth comb
- Regular tooth comb
- Hairstyling ceramic brush set – from small diameter to large diameter
- Wide tooth brush with plastic bristles and plastic dots on each bristle
- Scissors – do not invest a lot of money in these scissors at this time
- Salon L-clips – at least 20 clips
- Bobby pins – Black and blonde bobby pins
- Very small rubber band – black and transparent
- Customer's cape
- Hair styling belt (for you) – it can hold both makeup equipment and hairstyling equipment.
- Spritz bottle for water.
- Bag/kit to hold equipment.
- A training styling head (long 100% human hair); for practice in class and at home. I can purchase this for you at a separate cost of 700 NIS.
- Table top holder for the training head. I can purchase this for you at a separate cost of 80 NIS.

I will supply:

- All the hair styling accessories: tiaras, ornamental pins, combs and the like
- All the hair products, including hair spray, gel, oils and the like.
